Subject: BVP Special Solicitation Announcement.

The Bulletproof Vest Partnership (BVP) is a unique U.S. Department of Justice initiative designed to provide a critical resource to state and local law enforcement. Since 1999, over 11,500 jurisdictions have participated in the BVP Program, with \$118 million in federal funds committed to support the purchase of an estimated 450,000 vests.

The Office of Justice Programs' Bureau of Justice Assistance (BJA) is pleased to inform you that your agency has been identified to receive an award under the recent BVP Special Solicitation for vest replacement needs. In upcoming weeks you will receive specific instructions from BJA for submitting online payment requests for your BVP funds. Until then, for any questions you might have regarding the BVP Program or your award, please contact the BVP Help Desk at vests@ojp.gov.

A complete list of BVP awards can be viewed at http://www.ojp.usdoj.gov/bvpbasi/ .
